William Seltzer Rice (1873-1963) was born in Pennsylvania but moved to Northern California in 1900, when the region's Arts and Crafts movement was flowering. A talented and prolific watercolorist, Rice also became devoted to block printing and made numerous prints of Northern California landscapes, from the Sierra Nevada to the Pacific. This calendar reproduces twelve of his evocative prints, among them San Francisco Bay, The Blue Pacific, Fallen Leaf Lake, and Redwood Monarchs. Size: 13 x 12 in.; opens to 13 x 24 in.
