

A Foxs Love (American Kitsune) (Volume 1)

The story of a boy, a fox, and a lot of fanservice Kevin Swift has the worst luck with women. Its not that hes unattractive or even unpopular. He just cant talk to them. He blames it on all of those shonen love comedies that he enjoys watching. Fortunately, or unfortunately--depending on whos asking--Kevins love life is about to start looking up. After saving a fox, Kevin discovers that he actually rescued a kitsune, a shape-shifter capable of transforming into a beautiful girl who appears to have popped right out of the pages to a shonen manga. Her name is Lilian, and shes decided that hes going to be her mate--whether he likes it or not! Between dealing with an overly amorous vixens zealous attempts at getting into his pants, his inability to talk to girls and school, Kevin is going to have his hands full.
