

Bedeviled & Bedazzled (Bedeviled & Beyond Book 2)

Futuristic paranormal romance with a devilish flavor! With sexy devil Prince Diale at her side, Astra Q Phelps finds herself embroiled in yet more danger and intrigue at the royal devil court. As Astra discovers her family tree might be growing right in the middle of the current mess, her career as a demon slayer is put at risk, her dignity is seriously damaged, and there might be a pair of giant granny panties in her future. Fortunately for her she doesn't have much need for dignity. It's a whole mess of trouble for one determined halfling to sort through, but Astra Q Phelps is hopelessly up to the challenge. ***NOTE: This was previously published under the title *Tween a Devil and His Hard Place*. It is Book 2 of a 6-book futuristic paranormal romance series of full-length standalone novels with no cliffhangers. The series is written in first person POV. There is no objectionable content but the book does contain some violence, consensual sex (with an emphasis on sensual) and the occasional sexual innuendo. The heroine in this fun series isn't always politically correct and may at times embarrass herself and bumble about slightly out of control. If you're not a fan of self-deprecating humor, you might want to give this one a pass! #:) Happy Reading!
