

## Licked (L.A. Liaisons) (Volume 1)

As the owner of Licked, an eclectic ice creamery and bar, Ryleigh Phillips doesn't have time for that love stuff. Serving up Nibble My Nuts sundaes and Drunken Sailor boozy shakes are as close to an orgasmic affair as she's had in months thanks to her expanding empire until the night of her ten-year high school reunion. When Ryleigh's crush, gorgeous ex-football god Cameron Mathis, comes streaking into her life (literally streaking), she begins to wonder if she really can have it all. Wouldn't it just figure that the moment you think life is perfect is when it falls spectacularly apart? Enter Hunter Morgan, the contractor in charge of Licked's renovations. Devastatingly handsome, and a smartass to boot, he's got his eyes on Ryleigh from the moment he finds her passed out on his couch (yeah, that's a long story). There's just one tiny complication he happens to be Cameron's best friend. When the lines between relationships and friendships blur, and it's impossible to choose between two delicious flavors, what's a girl to do? Taste a sample of each? Or go out and get LICKED?
