

# Facilitating Evidence-Based, Data-Driven School Counseling: A Manual for Practice

Counselors make a difference and now you can prove it. Your counseling makes a difference in the lives of at-risk students every day. To meet accountability standards, though, you need data the number-crunchers can understand. With this user-friendly manual, make the shift to evidence-based practices and interventions in a data-driven, comprehensive school counseling program based on ASCA's national model. The book includes visual guides and checklists for every step of the process. Examples of successful program evolution. Guidance on developing and submitting a successful Recognized ASCA Model Program (RAMP) application. Supporting documents in an online resource center.
