

Alliance (Torsere Book 3)

Torsere: Book Three King Ryneq and his dragon rider consort, Nykin, return to Torsere to defend the kingdom against the lowland armies already camped along Torsere's borders. Seran wants the dragons, and with a new witch in his ranks, war is inevitable. With the elves of Hervath now helping them, Ryneq has a chance at holding Seran at bay. But the witch is using old dark magic, and as Nykin and the dragon riders battle her deadly attack, unexpected betrayal forces Ryneq to make a difficult decision. Faced with the prospect of losing his kingdom, Ryneq gambles on a plan that could ultimately save Torsere, if they can stay alive long enough to see it through. With Ryneq standing against Seran and his witch, time is of the essence, and Nykin must make a sacrifice to end the war. Only then will Ryneq and Nykin be able to start a life together.
