After apprehending an Oxford Serial Killer, and almost losing her life in the process, DI Yvonne Giles has left England for a quieter life in rural Wales. Her peace is shattered when she is asked to hunt a priest-killing psychopath, who taunts the police with messages inscribed on the corpses. Yvonne requests the help of Dr. Tasha Phillips, a psychologist and friend, to aid in the hunt. But the killer is one step ahead and the ultimatum, he sets them, could leave everyone devastated.
