

How To Be A Literary Agent: An Introductory Guide To Literary Representation

This book takes you step-by-step through the fascinating business of literary representation, covering everything from setting up your business, finding and working with writers, locating the best publishers, working with editors, making the sale, to negotiating contracts. A valuable resource for people considering careers as literary agents as well as writers who want to be their own agents. Writers don't need agents if they know how to approach publishers, properly prepare and send submissions, and deal with editors--all of which are covered in this book. You will learn how to present yourself as a professional and get the same respect given to successful authors and agents.

But I'm going to cover the introductory stuff anyhow, because there's always the .
