

A Kinky Christmas Carol (3 Hot Holiday Menage Romances from 3 Bestselling Authors!)

The Smutketeers Present: A Kinky Xmas Carol The Knight Family is a wealthy, powerful Chicago clan that knows everything there is to know about making moneybut they still have plenty to learn about love...lessons theyll be taught as they face their ghosts, fulfill their fantasies and finally discover the magic of Christmas in this three novella menage anthology. Eden Bradley- New York Times and USA Today Bestselling Author Getting Scrooged Blinded to the present...Holly Knight doesnt have time for Christmas or for closer Ebenezer Hall. She cant deny that the chemistry is sizzling hot, and things get even hotter when Bens friends and long-time lovers Justin and Kit arrive in Chicago. Can an infamous playboy and a hard-hearted corporate mogul ever admit to their hearts desires? Or will it take a little holiday magic for them to realize that all they want for Christmas is each other? Robin L. Rotham - Amazon Bestselling Author Not So Tiny Tim Avoiding the future Video game mogul, philanthropist and heir to the Knight empire, Tim Crichton has three F-zonesthe friend zone, the family zone, and the, er fun-buddy zone. No crossover is allowed because it might create a fourththe forever zoneand Tim knows forever just isnt in the cards for him. But with Peter and Miranda together, a little Christmas magic quickly escalates to a scorching holiday encounter that will either rescue Tim from a lonely futureor cost him the two most important people in his life. R.G. Alexander - New York Times and USA Today Bestselling Author Marley In Chains Running from the past...Marley Knight-Williams has avoided the ghosts of her past for seventeen years. Now, after one thoughtless decision and too many margaritas, theyve found her. Her memories, her heartache...and her men, Michael and Carlos. Just in time for the holidays. Time has changed them all, but its only banked the embers of their passion,

and when the flames flare to life, they burn hotter than ever. Will the heat be enough to sear away the obstacles that stand between them? Or will it drive them apart before they can finish what they started all those years ago?
