

The Have you, Always, Never... Recruitment Handbook

Just so we are absolutely clear - you cannot learn how to be a recruitment consultant by reading this handbook that would be like saying you could learn how to be a behavioral psychologist by watching big brother - I don't think so. However used alongside The 4/13/65 Recruitment Planner, this handbook will prove invaluable for keeping you performing at your very best. Use the handbook wisely and she will help you make money and be the best recruiter you can be. The Have you, Always, Never... is about being able to re-fire your memory cells to ensure when you perform a particular task you remember all the little things that make the task more dollar productive and you get the most out of your time spent doing it. A memory jogger, if you like, specifically designed for the recruitment industry. It doesn't take hours of preparation to use and it can be used over and over again. It is not for constant use 24 hours a day 365 days a year, it's designed to be used for a week or two once every quarter, getting you back into the good habits you already know but for whatever reason have chosen to push to one side. So simple to use, when you are about to perform a task, a client visit or an interview, look up the section in the handbook and read the few relevant pages and guess what tips you will find. Have you done everything you needed to do to prepare for the task ahead. It's not about over preparation but it is about being ready. This section gives you a few pointers to remind you of the information or the preparation you need to do before you start the task. Always & Never - Pretty self explanatory really, these separate sections talk about the absolute Dos & Don'ts of each particular task. If used correctly the Have you, Always, Never... recruitment handbook can help you get to and remain at the top of your game.
