

Job Interview Question & Answers, Tips & Tricks

This is a comprehensive guide on how to conduct yourself at a job interview. Many people think it is easy and they will breeze right through the process. But wake up folks! Times have changed over the past several years. It is now very much an employers market with usually 20 or 30 people - or more - applying for the same job. You cannot take chances any more and hope you will do OK. There is now a given strategy that you must follow if you have any chance at all of getting the job. This How To guide is a hard hitting no nonsense guide that tells you exactly how you should dress and behave during your interview. It covers virtually every aspect of job interviews under the sun. Written by David Roberts (a job application specialist for many years) and Shirley Miller (a retired executive manager for Toshiba), this guide uses a lot of common sense practices that we all seem to forget at some time or other - and very often when we are nervous at interviews. From the moment you get the invitation to the interview, to the moment you leave the interview room - absolutely everything is covered. This guide should be a must have for anyone contemplating a job change.
