

# The Miracle Workers Handbook: Seven Levels of Power and Manifestation of the Virgin Mary

Throughout the world, the Virgin Mary is likely the most revered and recognized female saint. People flock to locations where there have been sightings and miracles attributed to her. On every continent prayers for healing, blessings and her intercession are spoken by the ill, needy and devoted spiritual seekers. Unfortunately, her most important message to humanity remains a secret. It is a shame that so few know and understand the significance of her path and the co-creative divine power that she brings to the individual. There is a global shift taking place. The earth is on the brink of ecological, economic and humanitarian disaster. We have run the gamut of human solutions and limited thinking. The divine feminine is re-emerging and leading the way to co-create personal and collective abundance, health, well-being and unlimited possibilities. Mary is the pattern for miracles. This book, *The Miracle Workers Handbook*, shows you how to invoke her presence, live in her love and become a miracle worker.
